Question: How does an advisor recommend grants from a donor advised fund?

Answer: Whenever possible, a donor should submit their grant recommendation online through the Donor Portal. From the left navigation, go to **Recommend a Grant** and provide the grant details in the form accordingly. Once completed, select **Add to Cart** to review information and either submit or save for later.

If you need assistance in submitting a grant recommendation, please contact your Philanthropic Advisor or email DonorServices@cct.org. Be advised that the grant approval process and issuance of funds to the grant recipient may take up to 14 business days from receipt.

Question: Will I receive an acknowledgement for my grant recommendations?

Answer: Email notices are sent when grant recommendations are submitted and the grants are paid. You may also see the status of your pending grant recommendations and paid grants from the **Dashboard**.

Question: Can I make an anonymous grant from my donor advised fund?

Answer: Yes. This is an advantage of using a donor advised fund instead of a private foundation. To make your grant anonymously, check "I wish to remain anonymous" from the **Grant Recommendation Form**.

Question: Question: Can I make a grant from my donor advised fund in honor or in memory of someone?

Answer: Yes. When completing the grant recommendation form, select "In Honor of" or "In Memory of" from the dropdown under **Grant Dedication**. Once selected, enter the details in the **Grant Dedication Field**. If you would like the grant recipient to send an acknowledgement of this honorary/memorial grant, please include their name and contact

information by selecting “Send an acknowledgement” and entering the recipient’s contact information in the field provided.

Question: How long does it take for a check to be mailed?

If you don’t see the organization in the list, then select the plus symbol to add the organization’s information.

Question: Are there limitations or policies that limit recurring grant recommendations?

Answer: While you may create a recurring grant from your fund at any time, grants will not be processed, and payments will not be paid if the grant amount is in excess of the available spendable balance.

Question: I previously made a grant to an organization that is now not showing up when I try to enter it into the grant recommendation form.

Answer: There are many reasons why an organization may not appear when entering it directly into the grant recommendation form, such as the organization has changed its name or it is no longer a 501c3 in good standing recognized by the IRS. If you need assistance in submitting a grant recommendation, please contact your Philanthropic Advisor or email DonorServices@cct.org.
